

INTERNATIONAL SCIENTIFIC AND TECHNICAL CONFERENCE CHALLENGES AND PROSPECT OF ENGINE DESIGN AND TECHNOLOGY

September 12 – 14, 2018, Samara

PROGRAMM COMMITTEE

- Shakhmatov E.V. – D.Sc., professor, Rector of Samara State Aerospace University, Co-chairman of the Conference board.
- Pavlinich S.P. – Dr. Sc., professor, executive director of the PJSC “Kuznetsov”, Co-chairman of the Conference board.
- Artyuhov A.V. – General Director of United Engine-Building Corporation (UEC), Ph.D.
- Babkin V.I. – Deputy General Director of federal state unitary enterprise (FGUP) P.I. Baranov CIAM.
- Ganiev R.F. – member of the Russian Academy of Science, Chief Scientific Officer of Institute of Machines Science RAS.
- Ganin I.A. – director of Privolzhskiy branch of the NPO Energomash
- Gilmutdinov A.H. – Dr. Sc., professor, rector of Kazan National Research Technical University named after A.N.Tupolev (KNRTU-KAI)
- Gordin M.V. – general director of federal state unitary enterprise (FGUP) P.I. Baranov CIAM
- Eliseev Yu.S. – D.Sc., professor, executive director of “Metallist-Samara” company.
- Inozemtsev A.A. corresponding member of RAS, Chief Designer of “Aviadvigatel” company.
- Kablov E.N. – member of the Russian Academy of Science, General Director of federal state unitary enterprise (FGUP) all-Russian Scientific Research Institute of Aviation Materials.
- Katorgin B.I. – member of the Russian Academy of Science.
- Kirilin A.N. – D.Sc., General Director of JSC SRC «Progress».
- Marchukov E.Yu. – D.Sc., professor, Chief Designer of A. Lyulka Saturn Experimental Design Bureau.
- Markelov V.A. – Ph.D., vice-chairman of the management board of PJSC “Gazprom”.
- Steven Y. – professor, director of the aerospace institute of the McGill university (Montreal, Quebec, Canada)
- Panchenko V.Y. – member of the Russian Academy of Science, Chairman of Russian Foundation for Basic Research (RFBR).
- Rudskoy A.I. –member of the Russian Academy of Science, professor, Rector of Peter the Great St. Petersburg Polytechnic University (SPbPU).
- Soifer V.A. – Member of the Russian Academy of Science.
- Subbotin V.A. – General Director of “Gazprom Transgaz Samara” company.
- Staudacher S. – professor, Dr. - Ing., University of Stuttgart (Germany).
- Tchuiko V.M. – D.Sc., professor, Deputy President of Aircraft Engine Construction Association.
- Shmotin Yu.N. – D.Sc., professor, Chief Designer of JSC NPO Saturn.
- Shorin V.P. – member of the Russian Academy of Science.

ORGANIZING COMMITTEE

- Ermakov A.I. – D.Sc., professor, Director of Aerospace Propulsion Institute of Samara State Aerospace University, Co-chairman of the Conference board.
- Ljusov O.A. – Chief Designer of JSC “Kuznetsov”, Co-chairman of the Conference board.
- Prokofiev A.B. – D.Sc., professor, First vice-rector. Vice-rector for science and innovations, Co-chairman of the Conference board.

- Geykin I.A. – D.Sc., professor, Chief Designer of JC "United engine corporation".
- Gortyshov Y.F. – Dr. Sc., professor, President of Kazan National Research Technical University named after A.N.Tupolev (KNRTU-KAI)
- Grechnikov F.V. – Member of the Russian Academy of Science.
- Danilchenko V.P. – D.Sc., professor, Chief Designer of JSC “Kuznetsov”.
- Kolotnikov M.E. – D.Sc., professor, deputy of the REP holding general director.
- Kocherov E.P. – deputy general designer of PJSC “Kuznetsov”
- Krioni N.K., Dr.Sc., professor, rector of Ufa State Aviation Technical University
- Lanshin A.I., Dr.Sc., professor, deputy general designer for science of federal state unitary enterprise (FGUP) P.I. Baranov CIAM.
- Lupandine V.– prof., M.B.A. ORENDA Aerospace Corporation (Canada)
- Nozhnitskiy Y.A., Dr.Sc., professor, deputy general designer of federal state unitary enterprise (FGUP) P.I. Baranov CIAM.
- Ospennikova O.G. – Ph.D., head of the research department of All-Russian Institute Of Aviation Materials
- Ragulskis K.M. – professor, Kaunas University of Technology (Lithuania).
- Sebryakov G.G. – corresponding member of the Russian Academy of Science.
- Fedorchenko D.G. – Candidate of Technical Sciences, Chief Designer of “Metallist-Samara” company.
- Khroustalev B.M. – member of the National Academy of Sciences of Belarus, Rector of Belarusian National Technical University (Belarus).

**Please send your papers to this address:
443086 Samara, Moskovskoye Shosse, 34,
Samara State Aerospace University, Aerospace Propulsion Institute.
E-mail: fdla@ssau.ru
Contact Phones: (846) 267-43-22, 334-79-22 (Fax)**

INFORMATION

- The official languages of the Conference are Russian and English.
- The conference will include: presentation of reports, commercial presentations, poster presentations, demonstration of commercial products, personal participation.
- Abstracts and articles will be published in the conference materials. Best articles will be published in journal “Samara University reporter. Aerospace vehicles, technologies and machinery”. Journal is included in list of journals, recommended by State Commission for Academic Degrees and Titles and indexed by Russian Science Citation Index, DOI identifier is received by every article. In case of special fee (fee and payment method are stated in supplement), articles will be published in “Materials Science and Engineering” journal (ISSN: 1757-899X).
- Applications for participation should be submitted to our address before May 1, 2018.
- Materials for publication should be submitted before May 1, 2018 (abstracts) and before June 30, 2018 (articles).
- Registration fee is 200 US dollars. Payment is executed by transferring aforementioned sum to “Samarskiy motor” foundation, Tax payer ID 6316042689, KPP code 631601001, invoice account 40703810954080100698, PJSC Sberbank, Samara, corresponding account 3010181020000000607, RCBIC. Conference fee must be mentioned as purpose of the payment.
- Program and collection of abstracts will be handed out to participants on the first day the conference.

Supplement for information letter

Forms of participation in conference

Without fee:

participation in keynote and author sessions.

With conference fee, equal to 200 USD:

participation in keynote and author sessions.

conference proceedings.

publication in journal “Samara University reporter. Aerospace vehicles, technologies and machinery”.

With special fee, equal to 600 USD:

publication in “Materials Science and Engineering” journal (ISSN: 1757-899X), which will be indexed by Scopus.

Conference fee in case of publication in “Materials Science and Engineering” should be paid at:

Receiver: Chengdu Xia Luo Ke Education Consultancy Limited

Account number: 51050147900800001660.

Bank name: China Construction Bank.

Bank address: No.7, Dongfeng Road, Jinjiang District, Chengdu, Sichuan, China.

Swiftcode: PCBCCNBJSCX.

APPLICATION FOR PARTICIPATION

It must include the follow information: form of participation (report/visitor); last name; first name; middle name; academic degree; position; name of organization; title of report; contact phone and e-mail; the arrival and departure date, Information on payment of registration fee.

- Language of publications – Russian or English
- Number of pages: abstract – up to 2; article – up to 10
- Text: - typewritten (hard copy) and electronic version (Compact Disk or E-mail)
- Text format: Microsoft Word
- Page format: A4 (210 mm x 297 mm)
- Margins: 20 mm – top, bottom, right, left
- Font size: - 12; Font type - Times New Roman; Font size for graphics and abstract – 10.
- Figures, tables, graphs are allowed to be included in the text and provided as separate files (*.bmp, *.jpg, *.tif).
- Universal decimal classification
- Title has to be printed in capital letters. Below after a space authors (last name and initials) have to be printed in small letters. Name of organization and city have to be printed after a space. Abstract (not exceeding 500 symbols) has to be printed after the next space. Then a text has to be printed with one space in two columns.
- Information about authors: Name, academic degree, duty position, organization, address, phone number, e-mail, area of scientific interest.
- Preparation of the articles which will be published in “Samara University reporter. Aerospace vehicles, technologies and machinery” must be carried out according to its guidelines (<http://journals.ssau.ru/index.php/vestnik/about/submissions#authorGueidelines>).
