Aleksandr Fedotov	Phd/Electronics and Instrument Engineering/Laser Systems and Biomedical Engineering	20+0+0+10
Sergei Akulov	Phd/Electronics and Instrument Engineering/Laser Systems and Biomedical Engineering	20+0+0+10

Selection criteria:

1. First time applicants- To ensure that, from year to year, different members of staff benefit from the Erasmus+ programme, priority is given to 1st time applicants. (20 marks)
2. Priority should be given to Academic staff involved in the Erasmus+ programme, (i.e. establishment of inter-institutional Agreements, assistance with outbound/ inbound Erasmus+ students, hosting of Erasmus+ visiting Staff participation in IP etc.) (20 marks)
3. Priority should be given to the candidate whose visit will benefit the Samara National Research University through actions including but not only limited to those outlined below: (40 marks)

- The mobility which will ensure that the visiting lecturer's contribution will be an integral part of a diploma/ degree programme of the host Institution (UPC) should be given priority.

- The Erasmus+ programme should be considered holistically, and the teaching assignments funded through the programme should not be considered as stand alone activities, but it should encompass the Department's endorsement, vision, ongoing work, and the teaching materials.

- Priority should be given to the mobility which will related to Aeronautics and Aerospace.

- Preference should be given to applications whose mobility will be used to consolidate and extend links between departments and faculties and to prepare for future cooperation projects.

- Priority should also be given to the mobilities which will be used to promote cooperation of EU programmes at institutional level.

Punctuaction criteria:

20 (Maximum)

15-10 (Lack of details in the answers)

5 (Information provided is insufficient or not related with the list of Faculties from UPC that have expressed interest)

0 (no answer or not related to the purpose of the International Academic Mobility for Teaching under Erasmus + KA107)

Any question related to the candidature selection process can be addressed in English to International Department by email (intdep@ssau.ru with copy to rm@ssau.ru) under the topic "UPC-ErasmusKA107 candidatures" after the publication date of this announce and before the 11th of December, 2017.
