CALL FOR PAPERS

Conference Chair

Doctor of Technical Sciences, prof. **Flyur Ismagilov** (Head of the Department of Electromechanics, USATU, Russia)

Honorary Chairman

Doctor of Technical Sciences, prof. **Nikolai Krioni** (Rector of USATU, Russia)

Conference co-chairs

Prof. **Slobodan Vukosavic** (University of Belgrade, Serbia)

Ph.D., vice rector **Georgy Ageev** (USATU, Russia)

Ph.D. **Viacheslav Vavilov** (USATU, Russia)

Responsible for publishing

Ph.D. **Denis Gusakov** (USATU, Russia)

Program committee

Prof. **Igor Bolvashenkov** (Faculty of Electrical Engineering and Computer Engineering, Technical University of Munich, Germany);

Prof. **Serhiy Bozhko** (Director of the Institute for Aerospace Technologies, The University of Nottingham, United Kingdom);

Prof. **Ayman M. EL-Refaie** (Department of Electrical and Computer Engineering, Marquette University, United States);

Doctor of Technical Sciences, prof. **Viktor Bespalov** (Department of Electromechanics, Electrical and Electronic Instruments, National Research University "Moscow Power Engineering Institute", Russia);

Ph.D. **Evgeni Ganev** (Chief Engineer Aerospace Solutions, Honeywell, Canada);

Doctor of Technical Sciences, prof. **Vladimir Getcha** (Deputy General Director of OJSC "Corporation VNIIEM", Russia);

Doctor of Technical Sciences, prof. **Oscar Gurevich** (Deputy General Director of the State Research Center Federal State Unitary Enterprise "CIAM", Russia);

Prof. **Hans-Georg Herzog** (Head of the Department of Electrical and Computer Engineering, Technical University of Munich, Germany);

Doctor of Technical Sciences, prof. **Konstantin Kovalev** (Head of the Department 310 "Electric Power, Electromechanical and Biotechnical Systems", MAI, Russia);

Leonid Luzgin (General Director of JSC "Ufa Aggregate Production Association", Russia);

Dr. **L.P. Di Noia** (Department of Electrical Engineering and Information Technology, University of Naples. Federico II, Italy);

Ph.D., prof. **Mikhail Rumyantsev** (Head of the Department of Electrotechnical Complexes of Autonomous Objects and Electric Transport of the "Moscow Power Engineering Institute", Russia);

Ph.D. **Shoujun Song** (Department of Automation, Northwestern Polytechnic University, China);

Doctor of Technical Sciences, prof. **Saygid Uvaisov** (head of the department of design and production of radio-electronic means MIREA, Russia);

Ph.D. **Nikita Uzhegov** (Managing Director of LLC "SpinDrive", Finland);

Albina Kildigulova (General Director of LLC "Bashkir Exhibition Company", Russia);

Dmitry Sharovатов (General Director of JSC "Bashkir Electric Grid Company", Russia);

Sergey Rodionov (General Director of JSC "OKB "Kristall");

Doctor of Technical Sciences, prof. **Sergey Khalyutin** (General director of LLC "NaukaSoft").

About the conference

The Department of Electromechanics of the Ufa State Aviation Technical University, within the framework of the Russian Energy Forum, annually holds an International Conference on Electrotechnical Complexes and Systems.

Over the past 15 years, this conference has become an event in the field of electrotechnical complexes and systems, electromechanics, electric power engineering, electrical transport and aircraft electrical equipment.

The main objective of the conference is to organize a scientific platform for discussing recent works covering a wide range of areas of electrical engineering.

Basic Information

The working languages of the conference are English, Russian. All accepted papers submitted in oral or poster sessions in English after review will be sent to the IEEE Digital Xplore database for inclusion in the Scopus and Web of Science databases. In the framework of the conference the International Scientific and Technical Conference "School of Young Scientists. "Prospects for the development of electrical engineering and electric power in the 21st century" with the inclusion of conference materials in the Russian peer-reviewed database.

Topics:

- Electrotechnical complexes and systems;
- Electromechanics and electrical apparatus;
- Electrical equipment of aircraft;
- Electric vehicles;
- Electric power systems and networks.

Sessions:

Day 1 (22 October 2019): technical visits;
Day 2 (23 October 2019): plenary sessions (VDNH-Expo);
Day 3 (24 October 2019): breakout sessions and poster presentations; MNTK "School of Young Scientist" (USATU);
Day 4 (25 October 2019): cultural program.

Important Dates

May 15, 2019 - paper submission for review;
June 15, 2019 - acceptance notice;
July 15, 2019 - final paper submission;
August 15, 2019 - deadline for payment of participation;
October 22, 2019 - October 25, 2019: Conference

Conference fees

The fee includes participation in each event, printed copies of conference materials, review and coffee breaks.
IEEE members – 80 USD;
IAS members – 70 USD;
Non-members of IEEE – 100 USD.

Venue

1. VDNH-EXPO

Address: 158 Mendeleev street
Country: Russia
City: Ufa

2. Ufa State Aviation Technical University

Address: 12 Karl Marx Street
Country: Russia
City: Ufa

Paper submission

The papers should be full 4 to 6 pages long and should meet the IEEE manuscript requirements. The information on the authors of the paper should be excluded from the initially submitted PDF as the double-blind peer-to-peer reviewing will be provided for the papers.
